*Non-sagging adhesive recommended. Visit our website for more thin brick installation details.

REAL CLAY BRICK, REAL THIN.

Old Brick Originals™ is real, kiln fired brick cut thin, and is a practical solution for virtually any exterior or interior application. Because thin brick is so lightweight, there is no longer the need to worry about load-bearing walls or reinforced subfloors. From classic designs such as brick archways, kitchen backsplashes cobblestone floors and more, the design options are endless with Old Brick Originals™ thin brick.

THIN BRICK NAME: Smokestack
