

PRODUCT WARRANTY*

ANY IMPLIED WARRANTIES ARE EXPRESSLY EXCLUDED

WHAT THIS WARRANTY COVERS

Arriscraft warrants its products against deterioration for the life of the building, provided the products have been erected and used according to approved masonry standards, within guidelines of local building codes and as recommended by the manufacturer.

All product is to be inspected by the customer prior to installation. Any damaged, chipped or broken product, or any aesthetically unsatisfactory material is to be brought to the attention of Arriscraft prior to installation. At such time, the manufacturer will provide sufficient replacement material, or at the sole discretion of Arriscraft, utilize masonry color correction techniques to address color variance issues. Placement of material in the wall constitutes acceptance of the product.

**The warranty provided hereunder is the sole warranty provided by Arriscraft with respect to the products sold, and such warranty replaces all other warranties of any nature, be they contractual, legal or otherwise. There are no warranties which extend beyond the description of warranties contained herein.*

WHAT THIS WARRANTY DOES NOT COVER

Arriscraft will not be responsible for product failure resulting from poor workmanship, construction deficiencies or improper design, including exposure to de-icing salts or salt-laden snow. This warranty is null and void if the integrity of the structure is not maintained after its completion.

This warranty may not be enlarged or extended by sales, dealer or other Arriscraft personnel. Liability of Arriscraft under this warranty shall be limited to the resupply of the product found to be defective, or the use of color correction techniques at the sole discretion of Arriscraft.
