**Exceptional Beauty.
Effortless Performance.**

The exquisite allure of Meridian® Brick on your project will be a bold expression of your unique vision. With its rich palette of colors and strict adherence to ASTM standards, our clay brick products enable you to create unique designs that will transform your next project into a signature statement of beauty for generations to come.

In addition to aesthetics and strength, Meridian® Brick is a perfect choice to help your projects achieve LEED certification by qualifying for potential LEED credits in several categories. All-natural clay bricks have an exceptionally long life cycle, do not emit ozone-depleting substances and can be manufactured virtually waste-free.

A solid foundation built by Meridian® Brick.
