

Distressed brick goes to new lengths.

Burnt Umber

Cedar Woods

Harbor Grey

White Pearl

Note: In order to achieve final color as depicted by photo panels and samples, this brick needs to be cleaned after installation using masonry cleaner with a cleaner to water ratio of 10:1.

Architectural Linear Series Brick - Fort Valley Georgia

This long, elegant brick features a distressed finish that designers love. Our Georgia version features an even slimmer face rise and four exclusive Georgia colors: Burnt Umber, Cedar Woods, Harbor Grey, and White Pearl.

This Architectural Linear Series Brick is 2-1/8" high in random lengths up to 23-5/8" (depth is standard at 3-3/4"). Installing this one large size is simple and efficient.
