

## Timeless Ashlar

A true classic, Laurier Building Stone combines clean lines and a rocked finish for an understated elegance. Combining colours can offer a traditional look, while more subtle selections offer a grand, institutional appeal.

## DESIGN TIP:

The classic ashlar of Laurier is much loved for large scale institutional projects and historic stone matching. These are perfect situations for custom colour development. Looking to be unique on a smaller project? No problem - our stock colours can be blended into beautifully unique combinations.

Laurier Building Stone is available in four sizes and eight colours from the **CAMBRIDGE, ONTARIO** plant: Ivory White, Mahogany, Maple Sugar, Opal, Walnut, Charcoal, Midnight Grey, Onyx (LAU23 and LAU52 only)

LAU23	2-3/8" x Random (up to 23-5/8") x 3-3/4"
LAU52	5-1/4" x Random (up to 23-5/8") x 3-1/2"
LAU81	8-1/8" x Random (up to 23-5/8") x 3-1/2"
LAU11	11" x Random (up to 23-5/8") x 3-1/2"
