

Urban LedgeStone

This natural, ledgeStone-style Building Stone features long, sleek lengths in three sizes and six striking colours. Urban LedgeStone is Arriscraft's first product designed to be installed in a coursed pattern, which is incredibly easy and efficient to install, and results in a modern, elegant profile.

Urban LedgeStone Configuration Options

PRO TIP:

Urban LedgeStone is designed to be laid in a coursed pattern, but its sizing also allows for a more traditional ashlar pattern.

Urban LedgeStone is offered in three sizes and six colours:

UL35	3-5/8" H x Up to 30-3/8" L x 4-1/16" D
SHA/UL50	5" H x 31-5/8" L x 3-1/4" D
SHA/UL22	2-5/16" H x 23-5/8" L x 3-5/8" D
